

The New York Leadership Revival Covenant

A Spiritual Commitment to Pray for Revival

By signing the New York Revival Covenant, we enter into a Holy Agreement with one another and with The Lord our God to seek Him for Revival in our time, to pray that our area and the entire state will come alive with His Presence and experience a Spiritual Awakening that brings deep repentance and results in the transformation of our hearts, churches, families, communities, state and nation to the glory of Jesus Christ.

First and foremost, as the pastors and ministry leaders of the Church of New York, we believe that revival must begin with us and do hereby make this public commitment to the best of our ability:

1. **To seek God's Face**, pursuing His Holy *presence* before His blessings
2. **To rend my heart in sincere repentance** for my own sins and the sins of Christ's Church, turning from disobedience and self, realigning my heart and life with His Holiness and *reconsecrating myself to The Lord Jesus Christ and His Purposes*
3. **To Pray daily**, seeking to grow in my personal relationship and prayer life

As an authorized leader and representative of a church or ministry in New York, I recognize the need for revival in our land and do hereby commit myself:

1. **To creating a culture of extraordinary prayer** in my ministry or church by calling those I lead to intercession as a priority in their lives
2. **To at least weekly lead my church or ministry to participate in united, corporate intercession for the advancement of Christ's Kingdom** to seek God's face and pray for Revival in our time, that our area and the state of New York will come alive with His Presence and experience a Spiritual Awakening that brings repentance and reformation to us and our society and results in transformation of our hearts, churches, families, communities, state and nation to the glory of Jesus Christ
3. **To engage in bold travail for our area and New York State that strongholds will be broken** and that the Lord will protect the Body of Christ and its leadership as we seek to advance the Kingdom of God

To pray with other pastors and / or ministry leaders for Revival in my area and state as the Spirit leads and opportunity arises. If there is no gathering of pastors to pray in this way I commit to help foster such a gathering as The Lord leads.

4. **To encourage my members to gather with other believers from our area or state** for the revival of His People through a consecrated time of fervent intercession for this purpose.
5. **To teach and call upon** (beseech, urge, exhort, implore, inspire, encourage) **members of my Church or ministry to live passionate and consecrated lives for Christ** while walking to the best of their ability in their gifts and callings and growing in the knowledge of His Word, His Will and Person
